Welcome to TDA and Tomahawk Island Floating Home Community. You will own your floating home, enjoy exclusive use of your slip and share common property rights as a 1/72d share member **Tomahawk Destiny Association**.

To start the process of welcoming you and processing our administrative file, we do need some basic information that we use for membership communications, common ownership equity & tax data, parking lot and security reasons, etc. This information will remain for Association internal use only.

Please complete the following registration form and with a check made out to TDA for \$600, submit promptly in person to the Registration & Welcome Committee, Kelly Monfort slip 264 (360) 721-4703 or to the Secretary, or by mail to the TDA office.
